

IOlxObject

```
graph BT; TSPlaneDef[TSPlane::Def] --> ACollectionItem[ACollectionItem]; ACollectionItem --> IOlxObject[IOlxObject];
```

The diagram illustrates a class hierarchy. At the top is a dashed box containing the text 'IOlxObject'. Below it is a solid box containing the text 'ACollectionItem'. At the bottom is another solid box containing the text 'TSPlane::Def'. A vertical arrow points from the top of the 'TSPlane::Def' box to the bottom of the 'ACollectionItem' box. Another vertical arrow points from the top of the 'ACollectionItem' box to the bottom of the 'IOlxObject' box.

ACollectionItem
